

trend alert: dirty soda

Dirty sodas are customizable, non-alcoholic drinks that blend classic sodas with flavored syrups, fruits, and cream. They provide a creative beverage experience, appealing to guests while offering low ingredient costs and endless flavor combinations. This can help restaurants boost beverage sales, increase profits, and encourage repeat visits.

step 1: choose your soda

dirty soda *menu ideas*

Blueberry Yuzu Dirty Soda:

Made with lemon-lime soda, blueberry syrup, and topped with yuzu cold foam or cream.

Salted Caramel Cola:

Start with cola into a glass with ice. Add 1 tablespoon caramel syrup and a tiny pinch of sea salt. Top with heavy cream.

Dragon Fruit Dirty Soda:

Mix 1/2 oz. dragon fruit syrup, 1 oz. of non-dairy or half-and-half creamer, and 6 oz. of lemon-lime soda over ice.

Orange Cream Dream:

Start with Orange soda over ice, add in vanilla syrup and top with half & half.

Toasted Coconut Dirty Soda:

Start with your choice of cola, add in half an ounce of Toasted Coconut Syrup, and finish with your choice of creamer. Garnish with a lime!

Dragon Fruit Dirty Soda:

Start with your choice of lemon lime soda, add in Dragon Fruit Syrup and top with a non-dairy creamer!
