## *New! Lipton Cold Brew Iced Tea*

Lipton Cold Brew iced tea is specially processed to brew in cold water, eliminating the need for traditional hot-water brewing. Through a proprietary drying and hygienic handling process, the tea is made safe-to-drink without requiring a boiling-water kill step, delivering a consistent, high-quality tea experience brewed entirely with cold water.

Ready in ~10  
minutes in cold  
water

No boiling, chilling,  
or specialized  
equipment required

Enables participation  
in a high-margin  
category

Convenient 1-gallon yield  
meets demand for any  
beverage program
