Beef Oxtail Cut + Trimmed 2" Portions

#871511, 1/15 lb Driscoll

Thanksgiving is a great opportunity to give guests something unexpected beyond the traditional turkey. Offering an alternative protein like oxtail brings a richer, more indulgent option to the table, with deep, beefy flavor and a tender, almost silky texture that comes from slow cooking. Chef Ian's take offers a comforting, chef-driven centerpiece that feels right at home on a Thanksgiving menu while giving guests something new to look forward to.

Chef Ian puts a seasonal spin on the holiday table with tender oxtail, rustic potato gnocchi, cipollini onions, oyster mushrooms and rich demi-glaze. Finished with stracciatella and served alongside toasted ciabatta, this hearty dish brings deep, savory flavor and comfort to a fall menu.
